主席及行政總裁獻辭

MESSAGE FROM CHAIRMAN AND CHIEF EXECUTIVE OFFICER

2023年，是基督教靈實協會成立70周年的大日子，回想起昔日司務道教士在神的帶領下開墾荒原，在「盼望之灣」撒下充滿愛的靈實種子，亦感恩一輩又一輩充滿智慧的有心人同來深耕細作，讓靈實成為聳立將軍澳的大樹，為有需要的人遮風擋雨和帶來盼望。70年來，實在殊不容易，但藉着神的恩典和祝福，讓靈實繼續承先啟後，敢於挑戰。

雖然社會不斷變遷，但靈實的信念始終不變，多年來一直秉承「尊重生命•改變生命」的精神服務社會，亦因着異象禱告及機構根深蒂固的「以人為本」關愛文化，讓每個「靈實人」都懷抱一致的價值觀和信念，「以愛心服事關懷」。為做到全人關懷及將靈性關懷結合於優質服務，董事局制定十年的策略性目標方向「異象2030」，大膽地設計出前瞻性的服務和進行軟、硬件的改革，務求切合整體香港及靈實發展的需要。

神說過：「你要大大張口，我就給你充滿。」（詩篇81:10）。為了實踐向市民提供嶄新而優質的醫療及社會服務之夢想，我們計劃十年內啟動新建設，所以自2016年起，靈實積極推動「築動生命全方位關顧計劃」基建發展項目。過程雖然舉步維艱且波折重重，但感恩神垂聽我們的禱告，賜下超乎我們所求所想的恩典。

繼靈實醫院、靈實胡平頤養院完成擴建，西貢蠔涌福利設施大樓亦於今年落成並投入服務，同時，關顧照顧者身心靈需要的靈實賽馬會綜合照顧者支援中心按計劃於2023年6月正式揭幕，而靈實司務道寧養院的擴建工程亦已經動工，每項新發展都緊扣着社會與人的需要，標誌着靈實服務的新里程，同時亦印證：「神能照著運行在我們心裏的大力，充充足足的成就一切超過我們所求所想的。」（以弗所書 3:20）

靈實不單止要強化優質服務和推動創新服務模式，更着意提升對建立及培育社群的承擔和使命。為了配合政府發展及加強社區結連，尤其要與將軍澳區居民一起同行，靈實推出「願景之都」的概念，務求與社區共同成長。過去一年，靈實在社區已展開水銀瀉地的服務和改革工作，以行動展現對服務社區的承擔和願景，繼續守望社區。另外，由舊調景嶺警署修復而成的「將軍澳風物汛」，透過展現本區的歷史文化，以及藉藝術與運動來連結社區，提升居民的歸屬感，同時推動將軍澳成為一個更加共融的社區。除此以外，擴建後的寧養院將增設教研中心，以整合、深化安寧照顧的科研及教育工作，培訓基層醫護人員和照顧者，發揮靈實敢於創新和勇於承擔的精神。

回首過去的五波疫情，對醫療及社會服務造成嚴重衝擊，靈實的同工不但咬緊牙關緊「守」崗位，更在疫情期間主動進「攻」，除了向四方八面募集抗疫物資外，更上下同心地營運啟德暫託中心，照顧輕症長者，在嚴峻的疫情下，並肩跨越困境。在繁重的工作中，靈實同工亦毋忘「異象2030」，默默為受感染的長者提供靈性關懷，全面關顧他們身、心、社、靈的需要。

願神繼續引領和祝福靈實的事工，讓我們憑着信心，在充滿挑戰的環境下，有智慧和能力承傳靈實的服務精神與願景，繼續透過愛心服事，回應社會的需要，進而帶動影響世界，讓我們的服務使用者感受到神的愛，認識神！

2023 marks the 70th Anniversary of the establishment of Haven of Hope Christian Service. On this important occasion, we remember how Sister Annie Skau reclaimed the wasteland under God's guidance and sowed the seeds of love in the "Haven of Hope". I am also grateful to the generations of wise and compassionate people who have come together and work hard to make Haven of Hope an integral part of Tseung Kwan O, providing shelter and hope to those in need. It has not been easy over the past 70 years but through God's grace and blessings, Haven of Hope will continue to inspire the future and face any challenges.

Though the society is constantly changing, the belief of Haven of Hope remains unchanged. Over the years, we have been adhering to the spirit of "Respecting Life • Impacting Life" when serving the community. As a result of our vision prayer and the deeply rooted "People-Oriented" service culture, every Hope personnel embraces the same values and belief of "Serving and Caring with Love". To achieve the best combination of quality holistic and spiritual care services, our board of directors formulated "Vision 2030", a 10-year developmental strategy with modern and pioneering services and carried out software and hardware reforms so that we can meet the needs of Hong Kong and the future development of Haven of Hope.

God has said, "Open your mouth wide, and I will fill you up" (Psalm 81:10). To realise our dream of providing new and high quality medical and social services to our residents, we planned to start new constructions within 10 years. Therefore, since 2016, Haven of Hope has been actively promoting "The Haven Project", our new infrastructure capital development plan. Even though the process was difficult and full of ups and downs, I am grateful to God for answering our prayers and showing us grace beyond our expectations.

Following the expansions of Haven of Hope Hospital and Woo Ping Care & Attention Home, the Sai Kung Ho Chung Welfare Facilities Block was also completed and put into service this year. Simultaneously, the Haven of Hope Integrated Carers' Support Centre, which caters to the physical and spiritual needs of caregivers, has officially opened as planned, in June 2023, and the extension of Sister Annie Skau Holistic Care Centre has started. Each new development is closely related to the needs of society and our residents, marking a new milestone in the services of Haven of Hope. It also reaffirms that "God is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us." (Ephesians 3:20)

Not only does Haven of Hope want to provide high-quality services and promote innovative service models, we also want to elevate our undertakings to achieve our mission of building and nurturing communities. To support the Government's development plans and to strengthen community ties, it is necessary that we grow together with residents of Tseung Kwan O. With that in mind, Haven of Hope launched the concept of "Vision City" and over the past year carried out mercurial reforms to our work and services. Demonstrating our commitment and vision to serve through actions while continuing to watch over the community.

In addition, the "TKO Heritage Post", which was restored from the former Rennie's Mill Police Station, showcases the history and culture of the area, and connects the community through arts and sports activities. Hopefully, it will further enhance residents' sense of belonging and promote Tseung Kwan O to become a more inclusive community. On top of that, a teaching and research facility will be set-up in the New Sister Annie Skau Holistic Care Centre Extension to integrate and deepen scientific research and education of palliative care. It will also provide training to primary care staff and caregivers, showing Haven of Hope's spirit of innovation and taking responsibility.

Looking back on the five waves of the Covid-19 epidemic, it had seriously impacted Hong Kong's medical and social services. Not only did our staff at Haven of Hope bite-the-bullet and "guarded" their posts, they also took the initiative to "fight" during the epidemic. Besides sourcing and collecting anti-epidemic materials from all over the world, everyone worked together to facilitate the operations of the Kai Tak Holding Centre and took care of elderly with mild Covid symptoms. Amid such heavy workload, our staff did not forget "Vision 2030" and diligently looked after the infected elders and provided comprehensive care of their physical, mental, social, and spiritual needs. Under such severe epidemic situations, we overcome all difficulties together and side by side.

May God continue to guide and bless the ministry of Haven of Hope. With our faith, grant us the wisdom and ability to inherit our vision and carry out our services in a challenging environment. So that we can continue to serve with love, respond to the needs of the society and be the force to influence the world. Let our service users feel the love of God and get to know God!

靈實創辦人之一：司務道教士

靈實創辦人之一司務道教士1911年生於挪威，因祖母患重病時負起護理之責，而萌生當護士的念頭。司教士在中學畢業後入讀護士學校，1932年的復活節早晨洗禮，其後蒙召往中國內地傳福音。1953年1月，她從挪威南部乘船來香港，在調景嶺服事有需要的人。

昔日司務道教士懷著基督的愛和憐憫，隻身來到香港開展醫療及傳道的工作，她顧念病患者的需要，在調景嶺荒原上建立一間醫務所（即今天的靈實），為貧苦病人提供緊急醫療援助。她的貢獻受到社會肯定，屢獲勳銜，分別於1961年及1979年獲得南丁格爾獎章及大英帝國勳章。

靈實簡史

靈實創立於1953年，前身為將軍澳區醫援會。「靈實」即聖靈的果子；而英文名 Haven of Hope 是指「盼望之灣」。當時，靈實為回應社會的需要及本著基督的愛，開始在調景嶺一帶提供醫療救濟，並為貧乏的病患者提供及時的醫治。

經過70年的發展，靈實已由一片荒原發展成爲一所非牟利的基督教醫療及綜合社會服務機構，服務範圍遍佈整個將軍澳區，並擴展至西貢、東九龍、港島東、港島西等其他地區。直到今天，靈實仍持守當初的異象使命，透過愛心關懷、專業及進取的精神提供全人服務。今天，我們的服務包括以下四大範疇：**長者服務、復康服務、健康服務及教育服務**。此外，靈實「援助及慈惠服務」更幫助社會有需要的一群，實踐「尊重生命・改變生命」的精神。

歷史、異象與使命 HISTORY, VISION AND MISSION

Sister Annie Skau Berntsen, Co-Founder of Haven of Hope Christian Service

Sister Annie was born in Norway in 1911. She started to think about being a nurse after she had been taking care of her sick grandmother. Upon graduation from high school, she was enrolled in a nursing school and was baptised in the Easter morning in 1932. Not long after, she received God's calling and headed to Mainland China to share the Gospel with the Chinese. In January 1953, she arrived in Hong Kong from southern Norway by ship. Since then, she started her decades-long journey of serving the needy in Tiu Keng Leng.

With the love and mercy inherited from Jesus Christ, Sister Annie came alone all the way from Norway. She endeavoured her utmost to develop the medical services and started evangelistic work in Tiu Keng Leng. A make-shift clinic (the forerunner of HOHCS) was then established on the barren upland of Rennie's Mill for the provision of medical relief to the poor and sick. Her selfless contribution was publicly recognised; she received several awards, including the Florence Nightingale Medal in 1961 and the Order of the British Empire (OBE) in 1979.

HOHCS: A Brief History

HOHCS was founded in 1953 as Junk Bay Medical Relief Council. Its Chinese name, "ling sut" (lingshi in Mandarin), refers to "the spiritual fruits". In response to the societal needs and for the love of Jesus Christ, HOHCS offered timely medical care to the poor and needy in Tiu Keng Leng.

Over the past 70 years, HOHCS has evolved from a small clinic on the barren upland to a non-profit Christian social service organization, offering a range of medical and social services. Now it serves not only Tseung Kwan O but also other regions, such as Sai Kung, Kowloon East, Island East, Island West and others. HOHCS holds on to its vision and mission, and strives to provide holistic services in the spirit of loving care, professionalism, and progressiveness. Our areas of service include: **Elderly Services, Rehabilitation Services, Health Care Services and Education Services**. Furthermore, HOHCS' Relief and Charity Services offer timely assistance to the needy, realising the spirit of "Respecting Life • Impacting Life".

靈實四大服務範疇

OUR SERVICES

靈實成立70年來，一直肩負「尊重生命•改變生命」的精神，服事社群。昔日，司務道教士因尊重生命且憐憫弱者而來華，在調景嶺的荒原上與一群宣教士，服事在別人眼中毫無價值的難民。秉承前人的精神，靈實今天透過照顧晚期病人、體弱長者、智障人士及其他有需要的人，滿足他們身、心、社、靈的需要，助他們重拾生命的光彩。

我們尊重生命，更希望幫助服務使用者改變生命，活出有盼望的人生，以積極的態度，發揮正能量，影響社區，與更多人一起經歷上帝的深恩厚愛。我們的服務分為四大範疇：**長者服務、健康服務、復康服務及教育服務**，並將福音事工融入四大範疇當中。

Over the past 70 years, HOHCS has all along been serving the society with the spirit of "Respecting Life • Impacting Life". Back in the early days, Sister Annie Skau Bernsten and a group of missionaries came to Hong Kong because of the love of God. They took care of the refugees in the barren upland of Tiu Keng Leng who were deemed valueless in the eyes of most people. Inheriting our forerunners' spirit to serve, HOHCS nowadays offers care to the terminally ill patients, the frail elders, the mentally disabled and other poor and needy, so that they can also live life to the fullest.

We look to impact the lives of our service users while respecting them as individuals. We wish to promote positive values in community so that the love and mercy of God can be shared by more people. Currently, HOHCS' scope of services includes: **Elderly Services, Health Care Services, Rehabilitation Services and Education Services**, with the Evangelical Work being well integrated into all of the above.

「樂齡·同行」 — 愛心服事留守長者

60多歲的心婆婆，隨着女兒移民離港，獨自面對未來的生活，感到一片迷茫。心婆婆曾遭受丈夫家暴，導致患上抑鬱症。兒子亦因受到父親虐待，患上情緒病，早年已離家出走，至今仍然失去聯絡。丈夫離世後，心婆婆一直與女兒相依為命。由於心婆婆目不識丁，多年來一直依賴女兒照顧，惟女兒早前移居海外，她頓感徬徨無助。

面對女兒移民，生活經歷翻天覆地的轉變，既要擔心亦要接受！擔心自己一個獨自生活，經濟及生活上都面對挑戰，亦擔心女兒外出未能適應。加上本身焦慮抑鬱，導致晚上經常徹夜難眠。最終由醫務社工轉介綜合家庭服務中心，再轉交我們跟進。

當中心接到綜合家庭服務中心轉介，知道心婆婆的困境後，社工鄭姑娘馬上接觸她。由於過往的經歷，婆婆關閉了自己的心扉，初期十分抗拒鄭姑娘的介入。幸好，藉著禱告，以及持守「好撒瑪利亞人」的服務理念，愛鄰舍如己，鄭姑娘絕不放棄，經過不斷的嘗試，持續地探訪心婆婆，逐漸與婆婆建立互信的關係。

「婦人焉能忘記她吃奶的嬰孩，不憐憫她所生的兒子？即或有忘記的，我卻不忘記你。」（以賽亞書 49:15）

神記掛我們每一個人的需要，叫我們常存盼望，鄭姑娘懷著「愛心服事」的信念，一步步協助心婆婆適應新的生活。首先，安排心婆婆參與智能手機計劃，學習使用智能電話，與女兒保持聯繫，「天涯若彼鄰」。另外，亦為婆婆申請參加「愛心傳遞」計劃，照顧生活所需。而鄭姑娘著重婆婆的靈性需要，教導婆婆凡事感恩，才能改善心情。最後，配對「樂齡之友」陪伴婆婆，定期關顧及支援婆婆，例如覆診、申請社會保障服務等。樂齡同行，增強婆婆對生活的信心，亦能感受社區的「愛」。

現在心婆婆已成為長者中心會員，定期來中心參加活動，成功連繫社區服務。更學會使用智能電話，可以自行與海外女兒保持聯絡。未來更希望使用平板電腦，進行網上學習，令自己生活更加充實。

“Walking Together with our Elderly” – Serving with Love

Granny Sum, who is in her 60s, is feeling lost as she faces the future alone when her daughter left Hong Kong and emigrated. A victim of domestic violence, Granny Sum suffers from depression. Abused by the father, her son also suffers from emotional illness and had run away from home at early age and since lost contact. After her husband passed away, she and her daughter depended on each other. Since Granny Sum is illiterate, she had to rely on her daughter to take care of her for many years so when her daughter emigrated overseas, she suddenly felt helpless.

Granny Sum's life was turned upside down when her daughter left Hong Kong, she also struggled to deal with her conflicting emotions. While worrying about the financial and life challenges of living alone, she is also worried about her daughter's life overseas. All the worries compounded by her anxiety and depression resulted in her having trouble sleeping at night. In the end, she was referred to the Integrated Family Service Centre by the social worker and her case was then passed on to the Care unit for follow-up.

When we received the referral from the Integrated Family Service Center and learned of Granny Sum's plight, our social worker, Miss Cheng reached out to her immediately. But due to past experiences, Granny Sum was very reluctant to open her heart and resisted Miss Cheng's intervention. Fortunately, through prayer and adhering to the teachings of the "Good Samaritans" of loving your neighbour as yourself, Miss Cheng never gave up. After many attempts and continuous visits, she managed to establish a relationship of mutual trust with Granny Sum.

"Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you!" (Isaiah 49:15)

God knows and cares about our needs and wants us to live in hope. With the belief of "Serving with Love", Miss Cheng helped Granny Sum adapt to her new life one step at a time. First, Miss Cheng helped Granny Sum apply for a smartphone plan so that she could learn how to use a smartphone and stay in touch with her daughter. Next, she enrolled her in the "Food Pack with Love" programme so that her daily grocery needs were taken care of. Miss Cheng also paid attention to Granny Sum's spiritual needs and taught her to be grateful in life to improve her frame of mind. Finally, she has paired Granny Sum up with a "Peer Supporter", who spent time with her, providing regular care and support in areas such as follow-up medical consultations, application for social security services, etc. Walking together with the elderly has helped enhance her confidence in life and allowed her to feel the "love" from the community.

Now Granny Sum has become a member of the Elderly Centre. She regularly participates in activities and successfully connects with the community. She has learnt how to use a smartphone to stay in touch with her overseas daughter and in the future, she hopes to use a tablet for online learning to further enrich her life.

同工逐漸與心婆婆建立互信的關係。
Our staff gradually established a relationship of mutual trust with Granny Sum.

靈實將軍澳及西貢地區支援中心 Haven of Hope Tseung Kwan O and Sai Kung District Support Centre

飛出香港 活出真我

中風或意外只在剎那間發生，但所帶來的影響卻是長久，甚至無法逆轉。要重新面對自己，適應新生活，絕對需要無比的勇氣及支援。靈實將軍澳及西貢地區支援中心的「舒筋樂活新里程」計劃，設計出不同的生活體驗和復康活動，逐步協助學員走出陰霾，重建自主、樂觀的生活態度。該計劃於2022年9月更尋求突破，安排其中九名學員連同照顧者、義務醫護人員和治療團隊等共21人，搭乘長途飛機遠赴澳洲墨爾本體驗八日七夜的「2022年樂活之旅——勇闖澳洲自由行」，作為職業治療的媒介，向大家展現出生命是可以改變及有許多可能性。

學員到訪澳洲著名景點十二門徒石。
Our members at the Twelve Apostles, a famous scenic spot in Melbourne, Australia.

學員出發前難免會緊張和焦慮，但他們在這趟旅程中，一次接一次突破環境和身心的障礙，連同行的職業治療師都佩服他們的堅毅。以上落旅遊巴士為例，原本要用60分鐘才可把所有學員連輪椅抬上車，但有步行能力的學員突破自己，主動從輪椅起身盡力行上梯級上車，使時間大大縮短至15分鐘。另當他們到森林乘坐蒸氣小火車時，在職業治療師的鼓勵之下，大部分學員一如其他乘客般，坐在窗邊，勇敢地將腳伸出窗外，顯得非常高興。回程返港後，學員的自信心都大大增強，而且比以往更加團結，成了一個大家庭，不再感到孤單。

60歲的文先生是其中一名學員，他因中風影響四肢協調兼右側肌肉痙攣，起居飲食需家人照顧。文太笑言：「當他知道有澳洲遊後，感到非常興奮及緊張，他中風後需坐輪椅亦從未敢獨自外出，亦沒有想過有機會再上飛機。」被問到會否擔心過程中或會遇到不便或困難時，文先生雙眼堅定回應：「我有信心可以克服，以後沒有地方唔去得！」

肢體殘障剝奪了傷健人士去旅行的權利，他們對將來失去希望，但學員們在這次旅程中都發揮出個人潛能的閃亮點，知道生命之旅有許多可能性，在看似無望的黑暗之中原來是有盼望之光。

Fly Out of Hong Kong. Live Life to the Fullest

A stroke or an accident only happens in one split second but the effects are long-lasting and even irreversible. To confront the new reality and adapt to a new life, you need tremendous courage and support. The "Relive Project" of Haven of Hope Tseung Kwan O and Sai Kung District Support Centre is an initiative created to help participants to gradually get out of their depression, rebuild independence and regain optimism in life, through different rehabilitation and life experiences activities.

In September 2022, the project achieved a breakthrough by organising an overseas trip to Melbourne, Australia as a media of occupational therapy. A total of 21 people, including 9 members, caregivers, volunteer medical staff and occupational therapist bravely embarked on a 8 days, 7 nights "Live Life to the Fullest - 2022 Australia Adventure", showing everyone that life is full of possibilities and can be transformed.

Before embarking on the adventure, some members were inevitably nervous and anxious. But during the journey, they managed to overcome all environmental, physical, and mental barriers, even the occupational therapist who was traveling with them admire their perseverance. Take for instance, getting on and off the tour bus. Usually it would take 60 minutes to lift all members in their wheelchairs onto the bus. But on this trip, there was a breakthrough. Members with the ability to walk, took the initiative to get up from their wheelchairs and tried their very best to walk up the bus, which greatly reduced boarding time to 15 minutes! Another example was when they were taking the "Puffing Billy Steam Train" through the forest. Under the encouragement of the occupational therapist, most of the members sat by the window and bravely stuck their feet out just like the other passengers. Everyone was extremely happy. After returning to Hong Kong, their self-confidence was greatly enhanced and they are more united than before. Everyone has become one big family and no longer feel lonely.

在職業治療師的鼓勵下，學員將雙腳伸出火車，有學員形容猶如飛翔起來。
Under the encouragement of the occupational therapist, members stuck their feet out of the steam train. Some members described the experience as if they were flying.

One of the members, 60-year-old Mr Man, suffered a stroke that affected the coordination of his limbs as well as muscle spasm on his right side. He had to rely on his family to take care of his daily living and dietary needs. Mrs Man said with a smile: "When he learned about the trip to Australia, he was very excited and nervous. After the stroke, he needed to use a wheelchair so he never dared to go out alone, and he also never thought about having the opportunity to board a plane again." When asked if he was worried about the inconveniences or difficulties he might encounter in the process, Mr Man responded unwaveringly: "I am confident that I can overcome any challenges. There is no where I cannot go in the future!"

Physical disabilities often deprive people their right to travel and they lose hope for the future. On this trip, it unleashed the best personal potential of every member and made them realise that there are many possibilities in life and there will always be hope and light in the seemingly hopeless darkness.

承舊創新 建立共融社區

多年來，基督教靈實協會一直積極參與社區發展，與將軍澳區的居民們攜手並肩，致力提供各類型的長者服務、復康服務和健康服務。今年不僅標誌著靈實成立70周年的重要里程碑，讓人期待已久的將軍澳風物訊（下稱：風物訊）於2022年12月24日正式揭幕，為市民提供了一個獨特的歷史風物資料館。

作為西貢區「社區重點項目計劃」的重要一環，風物訊對將軍澳區居民尤其具有深遠的意義，並帶有保育和集體回憶的重要價值。這座建築物原本是舊調景嶺警署，在調景嶺社區拆遷後成為僅存的見證。如今，風物訊以其獨特的方式承傳將軍澳的歷史發展，展示了從1950年代至今的變遷。展覽中展出了過往的相片和物品，更包含了來自醫療、教育和教會等不同界別的居民和組織的口述歷史，使參觀者能夠透過他們昔日的生活了解當時的情景。此外，風物訊還設有旅館和餐廳，讓市民能夠從不同的角度體驗其中的魅力。旅館的前身是舊調景嶺警署的附屬宿舍，是一座具有歷史價值的建築物。而餐廳則位於風物訊的有蓋戶外空地，讓到訪旅客可以於用餐時享受怡人的景致，遠眺區內的新地標——將軍澳跨灣大橋，感受著新舊交融的獨特魅力。

風物訊不僅承擔著承傳歷史的重要使命，還肩負起建立共融社區的社會責任，推動著將軍澳的社區發展，積極與不同社區團體合作舉辦各類型的活動，如單車體驗、手作工作坊和社區藝術表演，藉此為旅客提供豐富多樣的體驗。此外，風物訊亦為學校和組織提供導賞服務，僅在過去數月，已有二十多個社區組織和團體參與了風物訊的導賞活動並進行了交流，於介紹將軍澳的歷史同時，亦宣揚了靈實的使命和核心價值。同時，風物訊更與職業復康中心及學校合作，為殘疾人士提供工作訓練、實習和就業機會，讓他們能夠在展館、餐廳及旅館中工作，讓大眾肯定他們的工作能力，同時也鼓勵他們與到訪旅客接觸，推動身心障礙者與健全人士之間的共融。

Inherit the Old and Innovate. Building an Inclusive Community

Over the years, Haven of Hope Christian Service has actively participated in community development, working hand in hand with the residents of Tseung Kwan O to provide various types of elderly services, rehabilitation services and health services. This year not only marks an important milestone for Haven of Hope as we celebrate our 70th Anniversary, but it is also the official opening of the long-awaited TKO Heritage Post (hereinafter referred to as the Heritage). The Heritage was officially unveiled on 24 December, 2022, providing residents and the public with a unique historical museum.

Being an integral part of Sai Kung District's "Key Community Focused Project", the Heritage has far-reaching significance to the residents of Tseung Kwan O District as it carries important conservation values and preserved collective memories. Originally the former Rennie's Mill Police Station, it is the only remnant that bears witness to the redevelopment of Tiu Keng Leng. Today, the Heritage inherits the historical development of Tseung Kwan O in its unique way and showcases the changes from the 1950s to the present. The museum displays photographs and objects from the past, as well as oral history from residents and organizations from different sectors such as medical care, education, and churches, allowing visitors to have a better understanding of people's lives in the past. Additionally, there is a hostel and a cafe at the Heritage where visitors can experience its charm from different perspectives. The hostel is a building of historical value as it was formerly the dormitory attached to the former Rennie's Mill Police Station. The restaurant is in a covered outdoor area where visitors can enjoy a nice meal in a pleasant environment while overlooking the Tseung Kwan O Cross Bay Bridge, the new landmark in the district. What a wonderful way to experience the Heritage's unique charm and fusion of the old and new!

Not only does the Heritage undertake the important mission of inheriting history, it also shoulders the social responsibility of building and promoting an inclusive community in Tseung Kwan O. The Heritage actively collaborates with different community groups to organise various types of activities, such as, cycling, handicraft workshops and community art performances to provide visitors with a rich and varied experience. In addition, the Heritage provides guided tour services for schools and organizations. In the past few months alone, more than 20 community organizations and groups have participated in guided tours. While introducing the history of Tseung Kwan O, our tour guides also shared with the participants the mission and core values of Haven of Hope. Simultaneously, the Heritage also collaborates with vocational rehabilitation centres and schools to provide job training, internships, as well as employment opportunities for people with disabilities to work in exhibition halls, cafe, and hostel; allowing the public to affirm their working abilities and encourages trainees to interact freely with them, promoting integration between the disabled and the able-bodied.

防跌訓練 重建信心

黃女士居於將軍澳，有高血壓、高血糖及高血脂（三高），需定時覆診及服藥，出入均需用柺杖或助行車。2021年11月開始，她成為西貢地區康健站會員。護理統籌主任為黃女士進行健康風險評估，發現當時她除了有慢性疾病的問題外，還有平衡力表現較差，及下肢乏力的情況，導致不時跌倒。護理統籌主任了解黃女士的過往經歷，知道她曾接受膝關節置換手術，加上曾經跌過，形成心理上的壓力，引發容易跌倒的情況，於是安排她報名參加「下肢鍛鍊防跌班」。

防跌班由職業治療師負責，職業治療師為黃女士作了專業評估，理解到她的情況，決定運用小組介入方法，透過不同訓練，針對性強化下肢的肌力和平衡力，並就家居安全措施及安全的動作和行為提供建議。參加防跌班後，黃女士覺得下肢變得有力，對步行重拾信心。由初期用柺杖步行30分鐘後感到十分疲累，至後期可以在不用器具輔助下步行1小時，有著明顯的進步，而且沒有再跌倒。

黃女士稱讚西貢地區康健站的同工都很友善，治療師十分細心，對內容講解清晰，又不停給予支持及鼓勵，協助她建立信心，所以十分感謝西貢地區康健站各位同工！

黃女士接受各項防跌訓練後，身心都獲得提昇。
Miss Wong's physical and mental health have improved after receiving various fall prevention training.

Rebuild Confidence with Fall Prevention Training

Miss Wong lives in Tseung Kwan O and she suffers from the 3 Highs - high blood pressure, high blood sugar, and high blood lipids. She needs regular follow-up consultations and medication and uses crutches or walkers to move around. Since November 2021, she has been a member of the Sai Kung District Health Centre Express. The Care Coordinator at the Centre conducted a health risk assessment for her and found out that in addition to chronic diseases, she also has poor balance performance and weakness in her lower limbs, which will cause frequent falls. After talking to Miss Wong and finding out about her fear of falling and the psychological stress from her past knee replacement surgery, the Care Coordinator made arrangement for her to enroll in the "Lower Body Exercise & Fall Prevention Class".

The Fall Prevention Classes are conducted by professional Occupational Therapists. After learning about Miss Wong's situation and given her a proper assessment, the Occupational Therapist decided to use the group intervention method to strengthen her muscles and improve the balance of her lower limbs through different exercises. The Therapist also provided advice on safety actions and behaviours as well as home safety measures. After taking the fall prevention class, Miss Wong felt that her lower limbs have become stronger and she felt more confident walking. From walking with crutches for 30 minutes and feeling very tired at the beginning, Miss Wong can walk for 1 hour without walking aid after the therapy. There was a significant improvement, and there was no further fall.

Miss Wong praised all the staff at the Sai Kung District Health Centre Express. She expressed that the staff and therapists were all very friendly, kind, and attentive. They explained the training very clearly and constantly gave her support and encouragement. She is extremely grateful to everyone at Sai Kung District Health Centre Express and thank them for their support and help in rebuilding her confidence!

靈實胡平頤養院
Haven of Hope Woo Ping Care & Attention Home

專業守護 長者安心

勞碌一生，為求好好養老。當年紀漸長，身體機能慢慢衰退，照顧需求上升，長者就可能需入住院舍，接受更完善的照顧服務，惟部分長者或抗拒入住院舍，害怕入住院舍等如被家人遺忘，而照顧者又會擔心院舍的環境及護理情況，其實現今的長者院舍也要與時並進，讓長者可安享晚年。

照顧者面對親人飽受疾病煎熬，當然十分心痛，而不少長者也是在大病後出院，體能及自理能力未能回復，需要入住長者院舍，以獲更全面的照顧。退休家庭醫生陳雨生的外父逾90歲，曾接受胃癌手術，胃部吸收不佳，不能大量進食，後來更因新冠肺炎情況嚴重而需入院治理，由於外母中風，在外父出院後，陳醫生頓時需照顧雙老，更感到在家中照顧不夠到位，故讓外父入住靈實胡平頤養院（下稱胡平），接受更專業的護理，但又需讓外父克服這等如被照顧者置諸不理的想法，實在不容易。

陳雨生醫生
Dr Dickson Chan Yu-sang

在出院初期，他的外父仍需用胃喉餵食，胡平的同工主動向陳醫生建議移除胃喉，提升他外父的生活質素，經一番思量後，陳醫生同意為外父移除胃喉，並在食物內加入凝固粉，讓護理人員在餵食時，先擺好進食姿勢，繼而才慢慢餵食。陳醫生亦非常欣賞同工每天為院友洗澡、抹手腳、清潔口腔，藉此減低他們的感染機會，並維持他們的自尊，這些個人化護理有助提升長者的生活質素。胡平以愛心關懷、積極進取和專業精神地照顧長者，可讓長者更有尊嚴地安老。而同工、家人及長者三方面良好的溝通，不但只有我們的護士了解院友的身體情況及需要，照顧者亦能了解家人入住後情況，更添安心。

胡平由專業的護理人員為主導，有註冊護士、物理治療師、職業治療師、經專職培訓的護理人員等，為長者提供復康訓練，加快他們的康復進度。陳醫生的外父曾住醫院四星期，肌肉及筋膜開始收縮，在進行物理治療後，肌肉萎縮的情況改善，痛楚減輕，面容也變得開心。在外父入住胡平一個月後，陳醫生曾問外父會否想回家休養，豈料竟被外父拒絕，認為在院舍住得習慣滿意。

Giving our Elders a Peace of Mind through Professional Care & Services

We work hard all our lives so that we can have a happy retirement. But as we grow older, our physical abilities will gradually decline and our demand for healthcare will increase. We might even need to be admitted to a nursing home to receive better care. However, the idea of living in a nursing home is scary and some have genuine fear of being abandoned by their families. For some caregivers, they worry about the living conditions and environment of residential nursing homes. In fact, today's nursing homes for the elderly should keep pace with the times and ensure that our seniors can enjoy their old age in peace and comfort.

When your love ones are sick, you as a caregiver also suffer and feel heartbroken. When an elderly person is discharged from the hospital after serious illness, he might need to be admitted to a nursing home for further comprehensive care as his physical fitness and self-care ability might not have fully recovered. Retired family doctor, Dr Dickson Chan Yu-sang's father-in-law was in his 90s and he had underwent surgery for gastric cancer. After the surgery, his stomach absorption was poor so he could not eat a lot. Subsequently, when he contacted Covid-19, he was hospitalised as he was a high-risk patient. While Dr Chan's father-in-law suffers from gastric cancer, his mother-in-law suffers from a stroke. So, when his father-in-law was discharged from the hospital, Dr Chan found himself having to take care of them both. Given the circumstances, he felt that he would not be able to give his father-in-law the best care at home and decided to admit him into Haven of Hope Woo Ping Care & Attention Home (WPH) to receive professional care. And at the same time, he needed to help his father-in-law overcome the fear of being abandoned by his family. It really is not easy being a caregiver.

In the early stage of his discharge, the father-in-law required a nasogastric feeding tube. The staff at WPH took the initiative and suggested to Dr Chan to remove the feeding tube to help improve his father-in-law's quality of life. After some consideration, Dr Chan agreed and started adding thickener to the food so that the nursing staff could set up the feeding position and manually feed his father-in-law. Dr Chan also appreciates that residents are getting daily baths, oral care, and regular cleaning of hands and feet. Such personalised care will help maintain their self-esteem, reduce infection risk and most importantly, improve their quality of life. WPH strives to care for our residents with love, proactivity, and professionalism, as we believe that it enables our elderly to age with more dignity. With good communication between the staff, family members and the elderly, not only will our nurses better understand the needs of our residents, but caregivers can also have peace of mind knowing their loved ones are in good hands.

WPH is led by a team of nursing professionals, including registered nurses, physiotherapists, occupational therapists, and professionally trained caring staff, etc., to provide rehabilitation training for the elderly and speed up their recovery progress. Dr Chan's father-in-law was hospitalised for four weeks and developed muscle wasting. After physiotherapy, his muscle strength improved, the pain eased and he became happier. After staying at WPH for a month, Dr Chan asked his father-in-law if he wanted to recuperate at home. To his surprise, his father-in-law declined saying he is satisfied and accustomed to staying in the nursing home.

等待的果實

過去的三年疫情迫使我們去學習「等待」這功課。然而，在醫院裡我們無時無刻都面對著「等待」。

最初認識阿麟時，還以為他處理好各種病徵便很快可以出院回家，沒想到他的身體情況反反覆覆，更每況愈下，身心疲憊不堪，無力感很重。剛入院時，阿麟曾抱怨香港不允許安樂死，面對身心痛苦煎熬，他寧願長痛不如短痛；然而，因為放不下至愛的太太而打消自我放棄的念頭。他內心深處掙扎、矛盾。這一切對他而言實在太沉重，加上感到人死如燈滅，想太多也沒有用，故在往後的探訪中，他拒絕再談，不願觸碰內在的情感。至於基督信仰，阿麟完全沒興趣，婉拒祈禱。院牧只能尊重他，陪伴他，等待他。

- 等待因為需要。那麼，就在陪伴中等待阿麟表達他的需要。
- 等待因為心存盼望。相信所期盼的是美好和值得的。那麼，就在陪伴中默默為阿麟代禱，祈盼有一天他接受禱告，在禱告中經驗神。
- 等待因為愛。神愛世人，祂愛我們。就像慈父每天站在家門等待浪子歸家，因為神愛這孩子。我們愛，因為神先愛我們，以致我們有愛的力量去等待。

在陪伴中等待，在等待中陪伴。每次去探望阿麟沒有特定預設模式或想法：要跟他談甚麼？要問他可否祈禱？或要怎麼樣...？沒有！就按每次的當下，他的狀況，心靈的引導。某天，在關懷陪伴後正準備離開時，心有感動就再次問阿麟可否為他祈禱。他竟然沒多加思索隨即點頭，並以他柔弱的聲線說：「好！」等待的曙光漸漸初見。

等待某一件事情最終也發生了。那天早晨，院牧與無力的阿麟分享，耶穌在十字架上犧牲的愛為救贖他，問他信不信耶穌？阿麟竟然再次沒有絲毫猶疑下，回應說：「好！」在院牧一句，他內心一句，說完點頭示意的方式下，完成了決志信主的祈禱。神實在愛阿麟，等待他回轉後，當晚才接他回家，真正息去他在世的痛苦。

你問我，在等待中學了甚麼？等待是一種生命的選擇。等待，有時也是一種心靈的磨鍊。信心的等待——相信那未見之事終必出現，值得等待。等待，對你的意義又是甚麼呢？

聖經《希伯來書》十一章一節說：「信就是所望之事的實底，是未見之事的確據。」信心的等待，因為有主同行。

The Fruit of Waiting

Three years of the Covid-19 pandemic have forced us to learn the lesson of "waiting". However, in hospitals, we need to "wait" all the time.

When I first met Ah Lun, I thought he would soon be able to leave the hospital and go home after all his various symptoms were dealt with. Unfortunately, his physical condition repeatedly worsened, leaving him physically and emotionally drained and feeling powerless. When Ah Lun was first admitted to the hospital, he complained that euthanasia was illegal in Hong Kong. When dealing with physical and mental pain, he would rather suffer short term pain than long term pain; however, he could not bear the thought of leaving his beloved wife and abandoned the idea of giving up. Deep down, Ah Lun struggled and felt conflicted. It was all too heavy for him as he felt that death was like a lamp about to be extinguished so it was useless to think too much. Therefore, in subsequent visits, he refused to talk about it and was unwilling to connect with his inner emotions. As for Christianity, Ah Lun was completely uninterested and refused to pray. Being a Chaplain, I can only respect him, accompany him, and wait for him.

- Waiting because of need. So, let us wait until Ah Lun is ready to express his needs.
- Waiting because of hope. Believing what we are waiting for is good and worthwhile. Let us accompany him and pray for him silently. Pray that one day, he will experience God through our prayers.
- Waiting because of love. God loves the world, and He loves us. Like a loving father who stands at the door every day waiting for the prodigal son to return, because God loves this child. We love because God loves us first, thus giving us the strength to wait with love.

While keeping Ah Lun company, I waited. While waiting, I kept him company. I did not have a specific pattern or thought every time I visited him. What should I talk to him about? Should I ask him to pray? Or how about...? No! It depends on the present moment, his condition, and the guidance of the Holy Spirit. One day, as I was preparing to leave after spending time with him, something prompted me to ask if he would like me to pray for him. He nodded without much thinking and said in a weak voice: "Yes!" At last, we can gradually see the dawn of waiting!

In the end, what we were waiting for, finally happened. That morning, after sharing with a weak Ah Lun that God loves him and Jesus Christ sacrificed himself on the cross for his redemption. We then asked if he believes in Jesus. Without hesitation, Ah Lun responded, "Yes!". We immediately led him to recite a prayer to receive Jesus Christ as his saviour. That same night, God took him to his heavenly home and relieved him of all his pain and suffering on earth. God truly loves Ah Lun and waited for him.

If you ask me, what did I learn while waiting? Waiting is a choice in life. Waiting, sometimes, can be a kind of spiritual training. Waiting in faith, believing in things unseen are worth waiting for. So, what does it mean to you?

We wait in faith because the Lord walks with us.

"Now faith is confidence in what we hope for and assurance about what we do not see." (Hebrews 11:1)

與耶穌同行 生命獲改變

林原德未入讀靈實恩光學校前，情緒行為容易波動，原德媽媽申請他由友校轉到恩光就讀。到恩光後，原德漸漸成長和改變。2019年，原德媽媽開始帶他返教會及參與無障礙敬拜。他開初未適應，媽媽曾問原德願意不願意受浸，原德當時表示不想受浸。

過一陣子，媽媽再問原德，原德表示願意受浸，當牧師和他問心事時，他可簡單短答示意。牧師亦確認原德的信主心意，樂於為他施洗。2021年9月，原德受浸，生命出現更多改變。班主任目睹原德情緒好轉，堅持及固執行為少了許多，亦少了和人有肢體衝突及摩擦。

原德以往喜歡凌晨3時至4時外出做運動、快步走，硬拉著媽媽陪伴他，幾乎使媽媽精神崩潰。後來經過祈禱和老師的耐心講解，他現時已願意在早上6點天光才去外出運動。媽媽也感恩原德可以減少服食精神科藥物，他的專注力因而提高，上課時亦比以前精神，到了中午才需要午睡。

原德因為有痔瘡，以往去廁所時會抓傷自己。感謝神！現時痔瘡已慢慢縮細至不用做手術呢。他很喜歡祈禱，會清楚地講阿門。他亦喜歡聽主禱文詩歌，每次聽完，心情都會變好！目睹原德的轉變，媽媽無限感恩神在她兒子身上的奇妙作為，亦曾在無障礙敬拜分享，將榮耀歸予神。

A Transformed Life by Walking with Jesus

Prior to studying in Haven of Hope Sunnyside School, Lam Yuen-tak faced challenges in managing his emotions and behavior. Subsequently, he transferred from a special school to Sunnyside through his mother's application. From that point onward, a gradual evolution took hold within Yuen Tak. The year 2019 marked the commencement of his engagement with church life, wherein he partook in the No Barrier Worship services alongside his mother. Initially, the new environment was somewhat unfamiliar to him, and when his mother asked him to baptise, he showed little interest.

Later, he changed his mind when his mother posed the question once again. Upon meeting with the pastor, he expressed himself using simple sentences. The pastor affirmed his unwavering faith in Jesus and included him on the baptismal list. In September 2019, Yuen Tak was baptised, leading to further transformations. His class teacher observed improvements in his emotional regulation. He now reduces stubborn behaviour and engages in fewer physical conflicts or disagreements with others.

In the past, Yuen Tak would insist on dragging his mother out for early morning jogs at 3 or 4 am, a practice that nearly drove his mother to the brink of frustration. Through the power of prayer and guidance from his teacher, he has now willingly compromised, venturing out until 6 am when the dawn breaks. His mother is also grateful to see that Yuen Tak is taking fewer psychotropic medications. As a result, he is more focused and energetic in class and does not need to take a nap until noon.

Suffering from the discomfort of haemorrhoids, Yuen Tak used to seek relief through scratching in the restroom. Praise the Lord! His condition has dwindled to the extent that no surgery is needed. He loves to pray, enunciating "Amen" with clarity. His favourite hymn is the Lord's Prayer, and he is filled with joy every time he listens to the music! Upon beholding this profound transformation, Yuen Tak's mother finds her deepest gratitude for God's great wonders on her son. She has shared this testimony during the No Barrier Worship Service, giving glory to God.

積極抗疫 專業培訓

2022年初爆發新冠病毒第五波疫情，為了紓緩院舍壓力和保障長者健康，政府陸續設立供症狀輕微的長者使用的隔離及暫託設施。靈實獲社會福利署委任為啟德暫託中心營運機構之一，負責為其中393張病床提供照顧服務。我們果斷應變，派出包括醫生、註冊護士、註冊社工及照顧員的跨專業團隊，實踐積極進取和愛心關懷的服務精神。靈實專業進修學院走到前線參與抗疫，更肩負培訓內地護理員的重任。

啟德暫託中心設於啟德郵輪碼頭，統籌工作由時任靈實專業進修學院校長翁麗負責。她要在短時間內張羅物資、安排運送長者的車輛、尋找護理團隊和司機。靈實同工深受感動，自告奮勇到啟德參與抗疫，當中包括其後在啟德暫託中心擔任護理總監的陳佩清。

靈實專業進修學院特別安排了專業培訓，提升支援人員對感染控制的處理技巧和注意事項，又為政府從內地聘請來港工作的護理員提供三日護理員訓練課程，其中有80人被安排到啟德暫託中心工作。

長者入住陌生環境難免緊張，同工安排長者與社工傾談並接受心靈服務組開導。照顧員扶長者到附近行走、舒展筋骨等，冀助他們加快康復。此外，同工適時安排長者與家人視像通話，開收音機播放電台節目，好讓他們不會覺得與外界隔絕。如果長者不抗拒，同工會與他們分享信仰。最少有8名長者決志信主，見證到神不但醫治傷患，也拯救靈魂。

啟德暫託中心於2022年5月停止運作後，靈實專業進修學院於2022年6月至10月繼續在啟德郵輪碼頭營運啟德檢疫中心，由張潤媚擔任護理總監。檢疫中心接收和照顧潛在感染的長者，因為要避免他們交叉感染，程序更為嚴格。但同工依舊用心照顧他們，繼續安排長者與親人視像見面，與他們一對一玩遊戲，雙向溝通，減少憂慮，盡顯以愛心關懷照顧長者的特質。

靈實同工和內地護理員攜手悉心照料每一位長者。
HOHCS staff and nursing staff from the mainland took care of every elderly person.

Fighting Epidemic with Professional Training

At the beginning of 2022, the fifth wave of Covid-19 epidemic broke out in Hong Kong. To alleviate the pressure on residential care homes and protect the health of the elderly, the government successively set up isolation and respite facilities for elders with mild symptoms. The Haven of Hope was appointed by the Social Welfare Department as one of the operating organizations for the Kai Tak Holding Centre, responsible for providing care services for 393 beds. We responded decisively and demonstrated the spirit of proactivity and commitment by dispatching a multi-disciplinary team of doctors, registered nurses, registered social workers and caregivers. The Haven of Hope Professional Training Institute (PTI) was at the frontline of the fight against the epidemic and even shouldered the important task of training nurses from mainland China.

Kai Tak Holding Centre is located at Kai Tak Cruise Terminal. Taking charge of the operations and overall co-ordination was Miss Yung Lai, then Principal of PTI. Within a short period of time, she had to source supplies, arrange vehicles to transport the elderly, hire drivers, and organise nursing teams. Deeply moved, many co-workers at the Haven of Hope volunteered to join her in the fight against the epidemic. One of whom is Miss Alice Chan, who later served as the Nursing Director at the Kai Tak Holding Centre.

To enhance the support staff's skills and knowledge of infection control and mitigation techniques, special professional training courses were arranged. PTI also provided a three-day training course for nursing staff from the mainland, hired by the HKSAR Government to work in Hong Kong. 80 of them were assigned to work at the Kai Tak Holding Centre.

It is inevitable for the elders to feel nervous when staying in an unfamiliar environment, our staff arranged for them to talk to our social workers or receive counseling from our spiritual service team. The caregivers accompanied them for walks nearby, helped stretch their muscles and sped up the recovery process. Additionally, our staff arranged video calls with their family members and turned on the radio so that they did not feel isolated from the outside world. And if the elders had no objections, our staff shared the gospel. At least eight seniors accepted Christianity as their faith. It is a real testament that God not only heals the wounded but also saves souls.

When the Kai Tak Holding Centre ceased operations in May 2022, PTI continued to operate the Kai Tak Quarantine Centre from June to October 2022, with Miss Cheung Yun-may as the Director of Nursing. Since the Quarantine Centre received and cared for potentially infected seniors, the procedures were stricter to avoid the risk of cross-infection. But our staff still managed to take good care of them, set up video or Zoom calls between the elderly and their families, conduct one-on-one games and maintained good two-way communication to reduce any anxieties. They fully demonstrated their professionalism, care and love when taking care of the elderly.

靈實司務道寧養院 Haven of Hope Sister Annie Skau Holistic Care Centre

完了心願 圓滿人生

對於因癌病影響導致頸椎以下位置不能動彈，需要長期臥床的黃太而言，天花板可能是她唯一的天空。因此，靈實司務道寧養院的護士自家製了一串家屬相片串連的紙鶴。當微風吹過，紙鶴轉動，黃太便能看到與家人不同的合照。院牧亦在天花板上掛上一幅幅特大家庭照，好讓黃太隨時看到她的摯親，成為她在病榻中的安慰和鼓勵。同工更曾為黃太化妝扮靚，無怪乎她大讚寧養院是「歡樂醫院」呢！

黃太五年多前癌症病發，而且被診斷時日無多。在絕望傷心之時，黃太開始思索人生，認定唯有主耶穌才能拯救，於是她主動聯絡基督徒妹妹及妹夫，並由妹夫帶領信主，於醫院接受洗禮。信主後的黃太，重拾對生命的盼望，敢於接受手術及治療，讓本來已失去活動能力的雙腳，經重新練習走路後康復過來，更能與丈夫及小兒子一家同遊日本。這是神給黃太完成的第一個心願。其後，她出院回家，一直由丈夫獨力照顧。神又讓黃太完成了第二個心願，就是多活五年，可以看到孫女的出生！

直至黃太身體再度轉差，入住了靈實醫院三個月。期間遇上疫情，所有探訪停止。從醫生口中得知寧養院的善終服務容許恩恤探訪，於是丈夫透過醫務社工申請太太入住寧養院。黃太每天都為此事祈禱，當她得知申請獲批後，非常高興地和院牧分享她的禱告蒙應允！這是黃太的第三個重要心願！

入住寧養院後，黃太曾五次進入「瀕危階段」。在第二次瀕危時，黃太告訴丈夫希望將來和他在天家重聚，丈夫遂邀請牧師到寧養院替他施洗。黃先生洗禮當天，原先精神狀態欠佳的黃太也精神起來，見證丈夫受洗，完成第四個心願。

黃先生每天都來寧養院探望太太，風雨不改，教人動容。最後，黃太更能如願與丈夫共度彼此的生日，以及送聖誕禮物給她的寶貝孫女。黃太生日當天，眾同工為她舉行了簡單的生日會，非常開心！

黃太在家人的愛與陪伴下安息主懷，無憾地走完人生旅程。家人雖有不捨，仍感到安慰。雖然生命面對限制：病患奪走我們的健康，疫情令我們隔離，但因著耶穌基督的愛衝破一切障礙。

黃先生在黃太見證下，在寧養院接受洗禮。
Mr Wong received baptism at SASHCC, witnessed by his wife.

All Wishes Fulfilled. A Life with No Regrets

For Mrs Wong, who was unable to move below the cervical spine due to cancer and needed to stay in bed for a long time, the ceiling might be her only sky. Therefore, the nurses at the Haven of Hope Sister Annie Skau Holistic Care Centre (SASHCC) strung together a series of paper cranes with family photos so that whenever the wind blew, the paper cranes would rotate and Mrs Wong could see a different family photo. Our pastor also hung large family photos from the ceiling so that Mrs Wong could see her family and love ones and they would be her source of comfort and encouragement. Some of our staff even helped Mrs Wong apply makeup to make her look beautiful. It is no wonder Mrs Wong praised the SASHCC as a "Hospital of Joy"!

Mrs Wong was diagnosed with cancer more than 5 years ago and was told that her days were numbered. In her despair and sadness, Mrs Wong began to reflect upon her life and realised that only the Lord Jesus could save her. So she took the initiative to contact her sister and brother-in-law who are Christians. Through the guidance of her brother-in-law, she became a believer and was baptised in the hospital. After becoming a Christian, Mrs Wong regained her hope in life and had the courage to undergo surgery and treatment. Her feet that lost the ability to move, slowly recovered through exercise and rehabilitation. She even traveled to Japan for a holiday with her husband, her youngest son, and his family. This was the first wish that God fulfilled for Mrs Wong. After she was discharged, Mr Wong took care of her by himself. God fulfilled Mrs Wong's second wish of living 5 more years so that she could witness the birth of her granddaughter!

When Mrs Wong's health deteriorated, she was admitted to Haven of Hope Hospital for 3 months. However, due to Covid-19 epidemic, all visitations were suspended. When Mr Wong learnt from the doctors that SASHCC provided hospice care and allowed compassionate visits, he sought help from hospital social workers for his wife admission. Mrs Wong prayed every single day. When her application was approved, she shared the good news with the pastor and said God has answered her prayers! This was Mrs Wong's third important wish.

When Mrs Wong was at the SASHCC, she experienced the "critical stages" 5 times. During the 2nd critical moment, she told her husband that she hoped to reunite with him in heaven in the future, so Mr Wong invited the pastor to baptise him at the SASHCC. On the day of the baptism, Mrs Wong who had been in a poor state of mind, managed to regain her spirits and witness her husband's baptism, thereby fulfilling her fourth wish.

Rain or shine, Mr Wong visited his wife every day without fail. Everyone was moved by their love. In the end, they were able to celebrate their birthdays together and Mrs Wong was able to give her precious granddaughter a Christmas gift. On Mrs Wong's birthday, our staff held a simple birthday party which made her very happy!

Mrs Wong was laid to rest in the arms of the Lord, surrounded by her family and love ones. She passed away peacefully and completed her life journey without any regrets. Although the family was sad, they felt comforted. Despite all the challenges in life – sickness that took away our health and an epidemic that kept us isolated, only the love of Jesus Christ can break through all obstacles.

70周年 燃點盼望 躍動生命

基督教靈實協會之成立，源自司務道教士昔日從主耶穌所領受的異象——將來在這山丘上，祂要建立一座聖殿，成為附近村落中千千萬萬人黑暗中的光。自此，靈實屹立在調景嶺荒原上，以十字架的光芒照亮海灣，為附近一帶海灣的船隻導航，並照亮鄰舍，為整個社區帶來曙光，成為「盼望之灣」。我們傳承司教士的精神，以愛心關懷、專業及進取的精神，服務社會上有需要的人，並且以基督信仰照亮社區，光照眾人的生命，燃點盼望，躍動生命。

70th Anniversary. Ignite Hope & Energise Life

The establishment of Haven of Hope Christian Service originated from a vision that Sister Annie Skau received from the Lord Jesus Christ that, in the future, on this hill, He will build a holy temple, which will be the beacon of light for thousands of people in nearby villages. Ever since then, Haven of Hope has stood tall on the wasteland of Tiu Keng Leng, illuminating the bay with the light on the cross, navigating boats, lighting up neighbourhoods, bringing light to the entire community and becoming the "Bay of Hope". We inherit the spirit of Sister Annie Skau and serve those in need with care, love, professionalism, and dedication. With our Christian faith, we will illuminate the community and the lives of all, igniting hope and energising life.

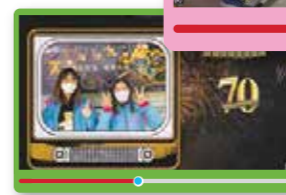

創意短片 傳遞喜樂

因着基督的帶領，靈實謹守異象跨越70載，持守「尊重生命·改變生命」的使命，從小型診所，照顧難民和肺結核病人，發展至現今有超過50個服務單位的基督教綜合社會服務機構。為慶祝靈實成立70周年，我們舉辦了「創意短片拍攝大賽」，讓各服務單位們發揮創意及盡顯團隊精神，以70周年橫額拍攝短片，一同傳遞喜樂。

Expressing Joy through Creative Short Film

Under the leadership of Christ, Haven of Hope stayed true to our vision for over 70 years and adhered to the mission of "Respecting Life • Impacting Life". From a small clinic caring for refugees and tuberculosis patients, it has grown into an integrated Christian social service organization with more than 50 service units. To celebrate this momentous milestone, we held a "Creative Short Film Contest", allowing all our service units to showcase their creativity and team spirit to shoot a short movie using the 70th anniversary banner to share their joy.

出版紀念書冊 盼望創造未來

自1953年開始，靈實的事工都滿有神的恩典和祝福，我們經過超過一年的資料搜集、訪問、拍攝和編輯，出版了一本紀念書冊——《盼望創造未來》，派發給同工和靈實的支持者。這本書冊回溯靈實過去70年走過的路，以插畫故事敘述司務道教士一生的奉獻精神，以及邀請同工和服務使用者分享靈實改變生命的故事，讓我們好好記住靈實和香港社會並肩成長的歷史，將來繼續連接社區及服務社群，一起懷抱盼望，創造未來。

Publishing Commemorative Book. Creating a Future Together

Since 1953, the ministry of Haven of Hope has been filled with God's grace and blessings. After more than a year of data collection, interviews, photo shooting, and editing, we have published a commemorative book "Hope Creates the Future", which was distributed to our staff and supporters. The book traces the footsteps of Haven of Hope over the past 70 years, using illustrations to recount Sister Annie Skau's lifelong devotion and shares life-changing stories from staff and service users. Reminding us the history of Haven of Hope and how it has grown side by side with the Hong Kong society. In the future, we will continue to connect and serve the community so let us embrace hope and create the future together.

尋找司務道教士足跡導賞團

靈實和將軍澳的發展歷史彼此密不可分，當中留下不少靈實創辦人司務道教士的足跡，我們從中選定了其中十四處有標誌性的地方作為景點，並舉辦了「尋找司務道教士足跡導賞團」，作為慶祝靈實70周年的活動，讓參加者親身探索歷史之餘，更希望傳承靈實「尊重生命•改變生命」的精神。

為了讓公眾對各個景點有更深入的認識，我們在每個景點旁邊都特設二維碼，只要用手機輕掃二維碼，便可聽到該景點的聲音導賞，讓未有參加導賞團的人士都能夠親身感受靈實的歷史和精神。追隨司教士走過的足跡，不僅是回望過去，而且是放眼未來，盼望大家與靈實繼續並肩，以愛心關懷和服事社會上需要的人，滿足大眾身、心、社、靈的需要。

Guided Tour Tracing the Footsteps of Sister Annie Skau

The developmental history of Haven of Hope and Tseung Kwan O is inseparable from one another. Among them are the many traces that our founder Sister Annie Skau has left behind. To commemorate the 70th Anniversary of Haven of Hope, we have selected 14 symbolic spots and organised guided tours "Tracing the footsteps of Sister Annie Skau" for our staff. Besides exploring history in person, we also hope participants can inherit Haven of Hope's spirit of "Respecting Life • Impacting Life".

To give the public a deeper understanding of each symbolic spot, we have set up a QR code next to each location. By swiping the QR code with a mobile phone, visitors can get an audio guide of all symbolic spots, so that those who have not participated in the guided tour can also experience the history and spirit of Haven of Hope. Following in the footsteps of Sister Annie Skau is not just about looking back in the past but also about looking forward to the future. We hope everyone will continue to stand shoulder-to-shoulder with Haven of Hope, take care of those in need with love and meet the physical, mental, social, and spiritual needs of our community.

靈實生命跑 推動願景之都

「2023 HOPES RUNNER 靈實生命跑及慈善行」於2023年1月15日在將軍澳跨灣大橋順利舉行，是次活動既為靈實非政府資助服務及十年基建發展「築動生命全方位關顧計劃」籌款，同時也是將軍澳跨灣大橋通車後首項在大橋上舉行的大型慈善活動，所以別具意義。

活動由靈實行政總裁林正財醫生擔任主禮嘉賓，並獲多位政商界名人親身到場支持。他們在開幕禮後，分別以踏單車、跑步和步行等方式一同跨越將軍澳跨灣大橋，實現攜手帶領社會邁向全民健康的願景。活動也充分展現社會共融，參加者來自不同年齡層，有運動健兒，也有殘疾人士，他們目標一致，共同籌款支持靈實提升服務質素，讓更多有需要的人受惠。

靈實就好像將軍澳跨灣大橋一樣，會繼續積極連結社區不同持份者，共同推動健康工作，從而一步一步把西貢和將軍澳區，以至整個香港，建構成健康快樂的「願景之都」。

Promoting Vision City with Hopes Runner

The "Hopes Runner: Run and Walk 2023" charity event was successfully held at the Tseung Kwan O Cross Bay Bridge on January 15, 2023. This event is very significant and meaningful as it not only raised funds for Haven of Hope's non-subsidized services and "The Haven Project", it is also the first large scale charity event to be held after the official opening of the Tseung Kwan O Cross Bay Bridge.

The event was officiated by Dr Lam Ching-choi, Chief Executive Officer of Haven of Hope, and many celebrities in the political and business circles personally attended and supported the event. After the opening ceremony, Dr Lam and all guests crossed the bridge together either by cycling, running, or walking, realising the vision of working together and leading the society towards universal health. The event also fully demonstrated social inclusion as there are participants of all ages and fitness levels, from athletes to people with disabilities. Everyone has the same goal which is to support Haven of Hope and to raise funds to improve quality of services to benefit more people in need.

Just like Tseung Kwan O Cross Bay Bridge, Haven of Hope will continue to actively connect with different stakeholders in the community to jointly promote healthy lifestyle. Gradually, Sai Kung, Tseung Kwan O District, and even the whole of Hong Kong will be transformed into a happy and healthy "Vision City"!

財務概覽 FINANCIAL

於2006/2007年度，靈實醫院行政總監開始由醫院管理局委任。有鑑於此，董事會認為基督教靈實協會並未能對醫院施行重大的行政管理控制。因此，由2006/2007年度起，醫院的政府資助服務不包括在基督教靈實協會之財政報告內。而醫院的非政府資助服務，包括靈實小賣部、紓緩治療（善終）服務及社區醫療服務，則包括在基督教靈實協會財政報告內之醫療輔助服務項目。

Starting from 2006/2007, the Hospital Chief Executive of the Haven of Hope Hospital (the Hospital) began its appointment from the Hospital Authority. Pursuant thereto, the Board of Directors does not consider the Haven of Hope exercises significant management control over the Hospital. The activities of the subvented services of the Hospital were therefore excluded from the financial statements of the Haven of Hope starting from financial year 2006/2007. The activities of the non-subvented services of the Hospital, including Haven of Hope Convenience Store, Hospice Care and Community Medical Service, are included in these financial highlights as Medical Ancillary Service.
